

The Minerals Engineering Society National Meeting and Dinner. 21st & 22nd September 2017

The Stables Conference Centre - High Melton - Doncaster

The 2017 National Meeting:

After the success of last years National Meeting, The 2017 National Meeting will be held again at The Stables Conference Centre, High Melton, Doncaster. This meeting will consist a technical presentation, the Society's AGM, Lunch and an awards Dinner. I am sure most of you will already know and have experienced this facility and it is a first class venue for the our most prestigious event and we hope to see you there in September, to meet with colleagues old and new involved in all aspects of Mineral Processing both in the UK and overseas.

Target Audience

Attendance is encouraged from all members not only for the AGM but also for the technical presentation being given by Mr David Buchanan. This presentation will be of significant interest, so anyone in Mineral Processing or related Industries are encouraged to attend

A one-day Meeting

The meeting has been arranged to cover a half day and an evening including the Society's AGM and Awards dinner. Proceedings will commence with Lunch starting at 12:30. This will then be followed by the two Technical presentations, a short break and then the AGM followed by the Presidential Address. Dinner will be at 19:30 and will include presentation of the Society's awards for 2017. Overnight accommodation is available and the whole package will be subsidised for members, the event concludes with Breakfast on 22nd September 2017.

Venue — The Stables Conference Centre, High Melton.

The Stables is set within the 120 acre grounds of Doncaster College's High Melton site, which itself nestles in the centre of the picturesque village of High Melton. It is located five miles from Doncaster town centre and just a few miles from junction 37 of the A1. **Post Code: DN5 7SZ**

Evening Dinner with Awards Presentation: 7pm for 7:30pm

For those wishing to extend their stay at the meeting, we have arranged an Evening Dinner and Accommodation. The cost of this for member delegates is subsidised and can be purchased by **Members** for the special price of **£35**. The fee for **non-members** is **£75**. This Includes Dinner, overnight accommodation and breakfast and is Payable to The Minerals Engineering Society by the methods below. The Society's Annual awards will also be presented at the Dinner. So come and us join in a convivial atmosphere and congratulate the winners of this years awards.
