

# The Minerals Engineering Society

## Annual Travel Award

The Minerals Engineering Society (MES) offers a 'Travel Award' to the value of **£350.00** to bona-fide full or part time students involved in the science and/or practice of Minerals Engineering who may wish to attend appropriate National or International Minerals Engineering related conferences, Industrial Visits, or other Minerals Engineering related events

All applications must include brief details of the applicant, their area of study, and their reasons for wishing to attend the event. In addition, applications must include a letter of support from the applicants' course supervisor.

Applicants should note that to be considered for the Award, they must be prepared to submit a short report giving their views on the Conference/Event and their travel experience for possible inclusion in the MES Newsletter.

Applications should be forwarded to the following address before **30<sup>th</sup> June 2015**:

Mr C. Scargill

Secretary, MES Policy & Finance Committee

11 Needless Inn Lane, Woodlesford,

Leeds

LS26 8EH
